

Welcome To Bailys Gold!

This is a public WiFi connection, we support and promote the use of a VPN for the purpose of privacy and securing your own connection. Use this connection at your own risk! You are responsible for your own use of this connection, please obey all local and federal laws. This superior connection is only provided to paying customers. The security key below is subject to change without notice at any time for security purposes. If you wish to obtain a new key because the network has changed, please feel free to ask any waiter at Bailys.

We have made all security advances known to us, in order to provide as stable and safe connection as possible. If there is something wrong with your connection, please notify your waiter, or send an email to:
